

# You're Invited To Take Part In The Center/Sylvester School Birthday Book Program

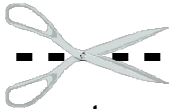

Commemorate your child's birthday, or any special occasion, with a unique gift that helps promote a positive attitude towards reading, and teaches about the importance of charitable and meaningful contributions.

## How the Program Works

- ☞ Select an occasion you would like to commemorate: birthday, Mother's/Father's Day, special accomplishment/achievement, etc.
- ☞ Complete the form below and return to the school with your payment of \$18.00.
- ☞ Your child will have an opportunity to select a book from the Book Box during I.T. class, which will then be inscribed with your honoree's name and special occasion date. He or she will then be the first to borrow this book.
- ☞ When the book is returned, it becomes part of our library collection to be enjoyed by students for years to come.

We hope you'll consider participating in this program, which has proven to be a tremendous asset to our Library/Media Center, with over 150 new titles added last year alone! Thank you!

Please return this portion with \$18 payment to Center School Library.

Checks should be made out to Center/Sylvester School.
