

# Voki Book Review

Your review should be a well written paragraph or two and take a minimum of 45 to 60 seconds to read. It cannot exceed 90 seconds due to the limitations of the program.

The review should include:

- Introduction - Title, Author & Genre (Historical fiction, fantasy, realistic fiction, biography, ...)
- Summary - Tell about the book, but don't give away the ending. Who the book is about? Where and/or when the story takes place? What the focus/problem/goal of the story?
- Review/Opinion - Tell how you would rate this book: good, great, or just O.K. (1-5 stars) and why. Who else do you think might enjoy this book?

## Directions for Pages

1. Open Pages from your dock.
2. Create a Heading with your name and project name: Monahan's Book Review
3. Return twice and indent to begin paragraph #1, which should contain the book introduction and summary.
4. Return, indent, and begin the 2nd paragraph which should have your review with your opinion about the book, and how many stars you would give it.
5. Spell check your document and check that in addition to including good detail, check that you have properly punctuated and capitalized your work.
6. Format your heading so it is centered, capitalized, and changed so the font, size and color differ from the rest of the document.
7. Use a search engine to find a picture of your book and add to your document.
8. Use the shape tool to create a star to your liking. Then copy and paste more to reflect the rating you give the book.
9. Save and Print your work if completed.
